

Confirmation Camp at Ferncliff

Who is it for?

Confirmation Camp is for any church's confirmand class that would benefit from a chance to join other seekers and leaders from other PC(USA) Churches. The program is designed to *supplement* an on-going confirmation class **or** *kick-off* a new class.

What is the Program's Design?

Confirmation Camp features a highly participative format where small groups of youth form a "New Church Development." Over the course of the weekend, they create *their* church. Each small group writes a mission statement, designs a building, formats the style of worship, and develops their mission. Each group then presents their new church to the "Presbytery."

What will be covered?

Drawing from PC(USA) confirmation material, we'll explore:

- What it means to be a Christian
