

Counselor— In— Training Program

You've been a Ferncliff camper for several years or you had that one great counselor that made you want to be one some day. No matter the reason, we welcome all rising **10th-12th graders** to register and apply for Ferncliff's Counselor-In-Training Program.

What is expected?

1. The CIT is a mentoring program where CITs are assigned one counselor to help with a cabin of campers.
2. This is a 24/7 commitment that requires CITs to be a **help** to the counselor assigned, not another camper
3. That like all Ferncliff counselors, CITs love and accept every camper that comes to Ferncliff.
4. CITs realize that this week is about the campers having the best week at camp and putting their needs before CIT's own.
5. This is a church camp, I am a role model and we are all visible manifestation of the body of Christ.
